Dear Parents and Care-givers

**Country Fair:** Only two more sleeps to our *Country Fair* on Saturday (10am-2pm) and I hope the weather fairies are good to us. Thank you once again to a very generous community for the donations that keep rolling in, from a sewing machine from Spotlight (Mrs Berry) to plants, jams, hand-made items, biscuits and so much more. Thank you also to the band of volunteers who have turned up to our fete meetings and wrapping days or spent hours making the wonderful selections of items rolling in. Don’t forget that the pre-purchased Megamania tickets can be collected before the fete from the **Bolwarra Bucks** ticket booth which is located at the entrance at the top of the stairs in front of KE. If you have forgotten to order your tickets they can be purchased on the day from the **Megamania Booth** which is located on the field near the cricket nets. They will have bands and single ride tickets available on the day. I’m excited!

**Thank you:** Last Saturday, in the lead up to the *Country Fair*, a small group of families gave up a few hours to mulch, weed and clean up our beautiful school. A huge thank you goes to the White, Croese, Robinson, Hellemons, Bartlett, Dundas, Ridgers and Rodrick families. Thank you for teaching your children the true meaning of community and the concept of altruism.

**Choosing the right school shoes:** Can those school shoes last...one...more...term.....? And are the expensive ones REALLY better for your child’s feet? Find out more: [http://www.schoolatoz.nsw.edu.au/wellbeing/health/choosing-the-right-school-shoes](http://www.schoolatoz.nsw.edu.au/wellbeing/health/choosing-the-right-school-shoes)

**Creative reading:** If your child is full of great ideas, share these 22 slides to help them tell their stories. Pixar’s 22 rules for great creative writing are brilliant! [http://bit.ly/1fyxNK3](http://bit.ly/1fyxNK3)

**Orientations:** It’s that time of year again where we welcome our Nillo students who will move from Year 2 to Year 3 next year and our 2015 Kindergartens, who will be commencing the next stage of their educational journey at Bolwarra. Next Monday 27th October, from 5.30-6.30pm, our Nillo Orientation will be held in the Staffroom and on Tuesday 29th October, from 5.30-6.30pm our Parent Kindergarten Orientation will be held in Year 1M room. Monday will also see Ms Blayden catch the bus with the Nillo students and bring them up to Bolwarra to spend the day with us.

**Swim School (Week 6 and Week 7):** Don’t forget to get your swim notes in by tomorrow as we still have a number of places available.

**Fund raising:** In closing, over $310 was raised by our students last Friday to support the Diabetes Foundation in their quest to find a cure for this auto-immune disease. Thank you.

Regards
Sue Swetnam
Principal
IMPORTANT DATES

- **24th Oct** Canteen Open for Lunch Orders
- **25th Oct** Country Fair

Canberra News

At the end of last term, 53 Year 6 students from our school undertook an educational excursion to the National Capital. While on this excursion they participated in a variety of educational programs focused on Australia’s history, culture, heritage and democracy. The Australian Government recognises the importance of all young Australians being able to visit their National Capital as part of their civics and citizenship education. To help assist in meeting the costs of the excursion, the Australian Government contributed funding under the Parliament and Civics Education Rebate (PACER) program ($20 per student) toward the travel expenses incurred. The rebate was debited from the original cost of the excursion for each student. We would like to thank the Australian Government for their support of this program.

Some of the activities undertaken whilst in Canberra were:
Parliamentary Education Office; Electoral Education Program; Parliament House tour; Cockington Green; Questacon; Embassy tour; High Court of Australia; Australian War Memorial; CSIRO Discovery program; Australian Institute of Sport; Dinosaur Museum by torchlight; National Gallery and The Royal Australian Mint.

We hope that the excursion was a rewarding experience for all students. Congratulations to all Year 6 students for their positive attitude, interest, co-operation and resilience - all ideals we promote at Bolwarra Public School.

Mrs Lange and Ms Dimmock
Accompanying Teachers

Bus Passes

Children who will be moving into Year 3 in 2015 and wish to travel to school by bus, will require a new bus pass application to be completed. These bus pass applications need to be returned to school by 28th October 2014 to enable all processes to be completed by the relevant authorities before the start of the 2015 school year. Notes were forwarded home on Tuesday to our current Year 2 families, with a tear off slip to be returned to the school office, requesting a bus pass application be sent home with your child. Please contact the office if further details are required.

Birthday Book Club

When it is your child’s birthday, they have the opportunity to donate a book of their choice (already purchased by the library) for the small cost of $6.00. After paying the children can come to the library and select a birthday book.
The books will be presented to the children on assembly. Each book will have a special message inside saying who has donated the book. The birthday child will be the first to borrow the book.
The following children have recently joined the Bolwarra Birthday Book Club: Ella, Ivy, Myra, James, Lochlan, Sharzly and Van.

End of Financial Year - School Payments

It is not long now until our financial year rollover and Mrs Rapson is madly finalising outstanding accounts, orders and payments. If you have overlooked paying accounts (such as text books, “voluntary” school contributions, excursions, choir etc) you could please pay them as soon as possible. Our Annual Financial Statement (AFS) is published each year in the Annual School Report. Thank you.
CLASSROOM CAPERS

KE

With the lead up to the fete this weekend there has been a lot of excitement in KE this week. We are really looking forward to the rides, toy sale, fairy floss and the disco. Don’t forget if you are coming to the fete then get in early this week and buy your Bolwarra Bucks. You will need them to purchase things on Saturday as our fete will be cashless. We have been conducting lots of assessments this week with some pleasing results. All children have been improving with their reading, sight words, counting and writing skills which is excellent to see. Don’t forget to prepare for news next week as I will be assessing the children's speaking skills during their presentations. Thanks everyone for another great week and I hope to see you all on Saturday!

KT

KT have been continuing assessments this week and are showing how clever they are with their sounds, sight words and numbers. We are learning about different relationships and connections in Child Protection and are continuing our sun safety unit of work. K-2 Choir on a Monday is a hit, as we enjoy singing both familiar and new songs taught by Mrs Moore. Keep up the great work KT! 😊

KW

KW this week have been extremely busy. We have been enjoying your news topic this week and Miss Baron loves smelling all the beautiful flowers. Our focus for this week is revising our sounds and letter names. KW are looking forward to some warmer weather so they can complete a science experiment. In writing this week KW are focusing on using descriptive language to make our writing interesting.

1B

1B have been experimenting and created the most delicious Lemonade! We really enjoyed making it and enjoyed drinking it even more! What a great treat to have on a hot summer day! In Maths we are learning multiplication and division as well as 3D shapes. In Maths groups this week we created rockets from 3D shapes. A bit tricky and time consuming however, the end result was well worth it. We are continuing our unit of work on Safety and Child Protection and learning about the importance of keeping safe in the sun.

1H

1H have been studying the sun, earth and moon in Science. We have conducted experiments, collected and recorded results and had an absolute ball! Over the next few weeks as a part of our cross curricula study we will be studying the sun and how it impacts on the world around us as well as how to stay sun safe.

1M

This week we are learning about a number of different celebrations as 1M students prepare and deliver their ‘news’. I am very impressed with the improvements in our oral presentations with the children now being more mindful of important things like eye contact, voice volume etc when speaking to a large group. Great job everyone! Hope to see everyone at the Country Fair on Saturday.
2C Students have been delivering their news item on a celebration of their choice with conviction, confidence and great use of eye contact. Well done!! In writing, we have reviewed the correct use of commas. We have also looked at persuasive texts with students drawing on their personal opinions about sport and exercise. Spelling is a real focus, with students recognising the importance of accurate spelling in their writing. Students are revisiting words from last week that they had difficulty with. In Maths this week, we have been comparing and ordering objects based on capacity and volume. We have also been using formal algorithms to add and subtract. I look forward to celebrating our wonderful school community and seeing you at our Country Fair on Saturday.

2H This week 2H have presented some fantastic presentations based on the topic 'Celebrations'. We have listened to presentations covering a wide range of celebrations from all over the world. It has been great to see how well prepared so many of the 2H students have been. Their preparation has really boosted their confidence when speaking in front of their peers about their chosen celebration. In Mathematics we have been working on using inverse operations to assist in solving some more complex subtraction problems as well as working on our mathematical problem solving skills. Tricky stuff!! Keep up the great learning 2H.

2W Wow this week has flown! We have been continuing on with our Child Protection and Safety units. We have been discussing the importance of Road Safety and have been practising how to safely cross a road at a pedestrian crossing - don't forget to STOP, LOOK, LISTEN AND THINK. Yesterday we were lucky enough to check out the Stage 2 Science Fair - 2W thought that it was 'awesome'! Only 2 more sleeps until The Bolwarra Country Fair! We can't wait!! Please don't forget to check out our descriptive writing on the blog!

3L In class this week 3L have been focusing on the importance of Road Safety. This unit includes bus and car travel, the importance of seat belts and how to cross roads sensibly. All students in 3L have contributed interesting opinions and stories on this topic which have greatly enhanced our learning as a group. Please continue to discuss Road Safety with your child at home as each family has a different routine when it comes to transport. I look forward to seeing you at the Bolwarra Country Fair.

3T We all loved presenting our 'Simple Machines' at our Science Fair this week. Congratulations on the quality of your machines. All your hard work and efforts were rewarded with outstanding projects. Thank you also to the parents for their assistance in this project. We continue to look at 'Point of View' in our Literacy and are working with money in Maths. Homework due tomorrow.

3-4B We have had another fantastic week in 3-4B, working hard to produce quality work. We have continued to learn about narrative voice, using the text 'Piggybook'. We have had lots of great discussions and we have had fun changing the text from third person into first person. In HSIE we have been looking at some famous Australians, in particular Ian Kiernan and Professor Fred Hollows. We have been discussing what they have achieved and what their beliefs might be. In Maths we have continued to investigate multiplication and we have been using the compensation strategy to solve problems. Congratulations to all students for the excellent participation at our Science Fair yesterday. We had a fantastic time. I have really enjoyed listening to the students in 3-4B present their 'Simple Machines'!! We are also very excited about our Country Fair which is on this Saturday!!! Keep working hard everyone!!
This week 4E participated in the Stage 2 Science Fair showcasing their ingenious inventions. The fair was well received by all students, teachers and parents and was very rewarding for those who presented their inventions. In Maths we have been focusing on mass in particular grams, kilograms and tonnes. In English, we are continuing to write poetry, this week writing diamantes. We have been learning about Road Safety and are continuing with our readers theatre. Keep it up 4E.

5A 5A are looking at the picture book, 'Why I Love Australia', by author/illustrator Bronwyn Bancroft. We have discussed how important the text is to supplement the illustrations. Also, we have looked at animal adjectives such as serpentine and aquiline and discussed how these and similar adjectives, are used often in description texts.

5PL We have continued to focus on angles this week in Maths. In particular, we have learnt how to draw and measure reflex angles as well as calculate unknown angles in triangles, quadrilaterals and radiating lines. We are now moving our focus to fractions and percentages and have started calculating fractions of a collection or group. In Literacy, we have continued to read our class text 'Playground' and have explored the significance of hunting to traditional Indigenous communities. Students have discussed the pros and cons of hunting in today's society and are in the process of writing a discussion on the topic. During our grammar rotation, we have learnt about the use of modal verbs and have written examples of sentences which use both high and low modality.

5-6D It has been another busy week in 5-6D. Thank you very much to all the generous families from our class who have donated things for our fete stall, and a BIG thank you to the girls from the class who have given up their time before school and during lunch breaks to fill and decorate the jars. They look fabulous! In Maths we have completed our unit on angles and are beginning our unit on decimals. Our HSIE unit on Australian Identity and Values has prompted many interesting class discussions as we investigate the many countries people have migrated to Australia from and all the diverse foods and cultural influences they have brought with them. It was also pleasing to see an improved effort with homework in Week 2, with some excellent research reports on a variety of Australian animals. Well done and keep up the great work!

6L 6L have gone 'jar crazy' in preparation for the Country Fair on Saturday. We have had a wonderful response from our class and from across the school for our Tombola Stall. Come along and buy a jar on Saturday. We have moved on to percentages in Maths, where we will be looking at discounted items and working out the best deals from advertising brochures. In HSIE we have been discussing the advantages and disadvantages of living in a multicultural society, with many students contributing some well thought out ideas. We all agreed that having different foods from all over the world is a major positive. We have been investigating ‘traffic hotspots’ in the Bolwarra area as part of our Road Safety unit. Each group identified Paterson Road as the most dangerous place in our community for all types of travel.

Sport

State Athletics: Congratulations to Jorja who represented Hunter last week at the PSSA State Athletics Carnival. Jorja came a very impressive 4th in her heat of the 200m. Well done Jorja!

Swimming: Notes have been collected for the swimming program that will commence in Week 6. This two week program focuses on water safety and survival skills, along with stroke correction. Those students participating will be provided further information next week. There are still positions available for students in Years 2 to 6 who wish to be a part of this great program. Please collect a note from Mrs Lean in the office.
Cricket: Last Friday, the Senior Boys’ Cricket Team played Ashtonfield in the 3rd round of the Reg Kelly Shield. Bolwarra was successful bowling out Ashtonfield 9 for 55. William and Eddie both took 2 wickets each. We then went on to record 5 for 122 with Tyler top scoring on 28 not out. Next Friday Bolwarra play Tenambit in the 4th round. Good luck boys.

---

**CANTEEN ROSTER TERM 4**

Thanks to some wonderful volunteers the canteen will be open for lunch tomorrow. The opening of the canteen for lunch on a Friday within Term 4 will be subject to filling vacancies on these days and will be determined week by week. Please check each week in the Newsletter and on Facebook for updates. If you can assist with a Friday vacancy please let me know.

We are also in desperate need of volunteers for snack days. We have vacancies on nearly every snack day, including Monday, Tuesday and Thursday next week. If we can’t fill the vacancies the canteen will close on these days. Please look at the roster and if you can help to fill any vacancy please contact me.

Thanks, Alison (0409 653 868)

PROPERTY SALE
BUY, SELL OR RENT

Would $500 help you pay for school uniforms, books or a laptop?

Match your savings for school costs, dollar for dollar, through Saver Plus.
The Smith Family is looking for new participants in your local area.

You may be eligible if you or your partner have:
- a Health Care or a Pensioner Concession Card
- a child at school or starting next year
- some regular income from work.

Contact Cynthia, your local Saver Plus Worker:
4927 8385 cynthia.culhane@thesmithfamily.com.au.

Saver Plus was developed by ANZ and the Brotherhood of St Laurence and is funded by ANZ and the Australian Government.

Girl Guides invite you to
Come and Try Guides!
Thursday 30th October 2014 from 5-6.30pm
For girls aged 7-10 years
At the come and try we will be cooking, making, doing
Catholic Church Hall cnr John & Church Street Largs
Please call 0418 160 402 to register for this free event.
Dear Bolwarra Parents and Carers,

Please support the Bolwarra Public School Mango Fundraiser!

If you love mangoes here is your chance to indulge in fresh juicy Kensington Pride mangoes and support our fundraising drive at the same time!

The feedback from last year was magnificent. We had the freshest, most delicious fruit delivered direct from the farm. The Mango Fundraiser picks and packs trays of fresh North Queensland mangoes during their premium harvest period and delivers them directly to our school.

$25 per 7kg tray

- Please offer these trays to your family, co-workers, friends and neighbours.
- Pick up or copy a few order forms and fill them up. All money raised goes to the school.
- Not able to visit our school to either order or pick up? No problems, please just call the number below and we can make alternative arrangements.
- Please return this form and payment to Colette Gutsch-Berry/School office by Wednesday 29th October together with your money.
- Mangoes should be ready for collection at the end of November. This date may vary slightly depending on the mangoes ripening.
- We will advise delivery and collection details in the school newsletter, website and Facebook.
- About the product: Theses delicious mangoes are direct from a family owned Queensland farm to us. The mangoes are pesticide free and the farm uses a variety of eco-friendly and sustainable farming methods to minimise their carbon footprint!
- Each $25 tray contains 7kg of delicious fruit. This is between 14-20 mangoes which is only $1.25 - $1.80 per mango!
- It is so easy. Fill up your freezers for Summer and help the school.

Still got questions? Contact Colette on 0418 454 352
