Dear Parents and Care-givers

It’s lovely to see the rain falling on our dry gardens as we enter Week 9 of the term. Last Friday a very successful Harmony Day and National Day against Bullying was held with all students enjoying a range of workshops and activities to highlight the need for tolerance and acceptance. On Monday night the first School Council meeting for the year was held and two of our past parents, who are community representatives on the Council and past Presidents, retired from their positions. I would like to take the opportunity to thank Louise Trist (President) for the years of dedication and hard work for the students at Bolwarra. I would also like to thank Robyn Scott (community representative and past parent) for her years of support for our school. Next term the AGM for the School Council will be held (26th May Week 5) and in the weeks leading up to the meeting I will be sending out (on behalf of the School Council) nominations for positions.

Year 5 students (and their parents) are busily preparing for next week’s camp at Point Wolstoncroft, a week full of wonderful adventures and experiences. Next week see’s our Zone Cross Country and I will be at a two day Principal’s Conference at Terrigal.

Last week we had a Year 4 child ‘lose’ a rather valuable possession. It was a collector’s tin (gold and black) full of Pokemon cards that the child had been collecting for quite a while. He placed it in his bag after recess and when he returned at lunchtime it was missing. I have spoken to the class and children who were playing in the area and despite lots of searching it hasn’t turned up. One of the things I regularly boast about our students is the fact that they are extremely honest, and over the last five years we have never had anything stolen that wasn’t ‘found’ again. I know it’s tempting as a child to take something that you long to have but in this case it is a rather large tin that can’t be missed. So I’m asking mums and dads out there to check at home, or if you have noticed your child’s pokemon collection has suddenly increased by 500 cards, to have a quiet word to return the items. I’m very hopeful it will be returned.

One of the wonderful traditions insisted upon by our student Representative Council (SRC) is to purchase a spray jacket for our students who represent Bolwarra in the Hunter team at State Carnivals. The process is: when the parents receive their registration forms from the Hunter Schools Sports Association (HSSA) they will also receive an order form amongst it for representative clothing. The forms need to be returned to school which require signatures from the Convenor and myself, as well as any fees due and any extra items of clothing ordered. At this point we add a school cheque for the spray jacket and it gets sent off to HSSA. Parents do not have to pay and then get reimbursed.

Mark the 25th October into your calendars as it’s the date for our Country Fair or fete extra-ordinaire! We held our first meeting last Tuesday afternoon and the creative juices are flowing. Thank you to the parents who sent me emails or phoned saying they would be able to assist. The
next Fete meeting is scheduled for 5.30pm on Tuesday 6th May in the Staffroom, so pop along and bring those ideas. I currently have the study at home stacked with boxes for the book, craft, white elephant and clothing stalls that my family has been giving me. Don’t forget to start planting cuttings, organising for grandma to make some jams and relishes and keep an eye out for ideas.

Don’t forget the Stockland Star Competition is in its third week as we are currently on 5th place. We have until Sunday to get triple points so if you are over at Stockland Greenhills pop in and cast your vote at the Information Desk for the Bolwarra Star.

**Dad and son time:** A series of adventure-filled camping weekends for fathers and sons are being run at Sport and Recreation centres. With no computers, phones or TVs, dads and their boys will be able to spend time together and build a healthier relationship. Find out more: [http://www.dsr.nsw.gov.au/youngstars](http://www.dsr.nsw.gov.au/youngstars)

**Motivating lazy children:** All kids are born active. Some just learn lazybones habits and need a nudge. Find out ways to encourage your child to get up off the sofa and get a little physical. Find out more: [http://www.schoolatoz.nsw.edu.au/zh/wellbeing/fitness/motivating-lazy-children](http://www.schoolatoz.nsw.edu.au/zh/wellbeing/fitness/motivating-lazy-children)

**Homework for little kids:** Schools develop homework policies with the help of teachers and parents. These are used as a guide and are based on common sense. If you find homework is becoming too much or is too difficult for your child, have a chat with your child's teacher. Find out more: [http://www.schoolatoz.nsw.edu.au/homework-and-study/homework-tips/homework-for-little-kids](http://www.schoolatoz.nsw.edu.au/homework-and-study/homework-tips/homework-for-little-kids)

**Helping your child to become a good speller:** What do you do when your child is struggling with spelling? Should you let your child use a spell checker, for instance? Here are a few tips and techniques to make spelling easier. Find out more: [http://www.schoolatoz.nsw.edu.au/homework-and-study/english/english-tips/getting-your-child-used-to-writing](http://www.schoolatoz.nsw.edu.au/homework-and-study/english/english-tips/getting-your-child-used-to-writing)

Have a safe week.

Regards
Sue Swetnam

**IMPORTANT DATES**

- 31st March  Point Wolstoncroft - Year 5 camp
- 3rd April  Zone Cross Country
- 4th April  Zone Netball Gala Day
- 7th April  Pizza Day
- 7th April  Talent Quest Finals
- 9th April  Combined Easter Scripture
- 9th April  State Swimming
- 10th April  State Swimming
- 11th April  Grandparents’ Day
- 11th April  Last day of Term 1
- 28th April  Pupil Free Day
- 29th April  Students return for Term 2
- 30th April  Anzac Day Ceremony
- 5th May  Dance2bfit begins
- 8th May  Mothers' Day Stall
- 9th May  Mothers’ Day Stall
- 9th May  Hunter Cross Country
URGENT IMPORTANT INFORMATION

Payment for book packs and work books must be paid as soon as possible. Please see Mrs Rapson to make arrangements for a payment plan if you haven’t paid in full.

We are still waiting on students to return the Family Details Update Form.

Please return the Mum’s Health Chat form as soon as possible if you are interested in attending the free women’s health talk.

YEAR K – 6 NEWS

Stewart House
Please return Stewart House envelopes to school by Friday 11th April to be eligible for a draw in a $4,000 holiday to a destination of your choice.

Birthday Book Club
When it is your child’s birthday, they have the opportunity to donate a book of their choice (already purchased by the library) for the small cost of $6.00. The books will be presented to the children on assembly. Each book will have a special message inside saying who has donated the book. The birthday child will be the first to borrow the book.

The following children have recently joined the Bolwarra Birthday Book Club: Amber and Ella.

Easter Egg Raffle
Student Councillors will be selling raffle tickets in class from Monday 31st March (Week 10) to Wednesday 9th April (Week 11). Raffle tickets are 50c each. Each class will have a 1st, 2nd and 3rd prize draw and all students will receive a small Easter egg gift. Easter egg raffle draws will be held for the children in each class of Week 11 this term. A prize will be given to the class that raises the most money so start gathering those silver coins! Thank you for your generous $2 donations and ongoing support!

CLASSROOM CAPERS

KE

This week we have started practising our dance for Grandparents’ Day. It will be great! Speaking and Listening has been going well this week too. We are still focusing on standing tall and speaking clearly. We had our ice cream stall on Tuesday and Wednesday which was a huge success! We made around $100 for the student council which is fantastic! Well done everyone.
KT have been continuing to work hard. We have started to learn our dance for Grandparents’ Day and are very excited. Reading and writing groups are very much enjoyed by all and our skills are improving all the time. In maths we have been continuing our work on halves, counting and number recognition through hands on games and activities.

Kindergarten enjoyed our Harmony Day celebrations where we focused on the concept ‘Everyone Belongs’. The three kinder classes enjoyed craft activities with Mrs Turner, music appreciation with Miss Theoret and drama activities in our room. We all received an orange balloon to remind us of our day. The children were resplendent in their orange outfits and the concepts behind the day were practised in creative play activities. Music activities are continuing to be much loved sessions with Mrs Price and Mrs McLaren as is the Infants’ choir session with Mrs Moore. We know most of the assembly songs and sing with great enthusiasm.

This week in 1B we have been finishing our text ‘Let's get a pup’. We have been looking at how authors persuade people to do something! We looked at posters and advertisements from the Animal Shelters around Newcastle and found all sorts of exciting ways writers get us as readers to think about things differently. In class this week we made our own posters to advertise that it is much better to get an animal from the shelter than it is to go to a pet shop! We have some of them on display in our window. We are beginning a mini unit of ‘The way we were/families past and present’ to tie in with Grandparents’ Day coming up in Week 11. We are discussing memories and the feeling attached to memories. We welcome a new student to our class today, Maddy and she will be joining us full time in Term 2.

What a fantastic week! This week 1H have been working on creative writing and have written some amazing stories about puppies. In maths we are looking at 3D shapes in our environment and their properties. PE groups were outstanding this week, I have seen a huge improvement in everyone's participation. Thank you to everyone for bringing back their Easter donations so quickly. Great work 1H.

1M have been reading the book 'I Need My Monster'. In writing we have been creating character profiles of monsters which we have used to design our own monsters. Our monsters are looking a little spooky, if you are brave you might like to pop by and see them. This week 1M have been looking at 3D shapes and patterns in maths. I have been very pleased with everyone's hard work.

Hard to believe we are nearing the end of Term 1! This week we are learning to deal with our frustrations in a calm and collected way, be resilient and move on from things quickly when they upset up. The way we interact with others underpins all our learning and students are starting to make the connection which is great. 3D shapes is our focus in maths - please ask your children to be on the lookout at home for objects that might be cones, spheres, cubes etc. We are continuing our work on 'Relationships' and students have shared lots of things they like doing with their grandparents. Students have shared that they feel loved and supported by their grandparents - how lucky they are!

This week in 2H we have been looking at 'Silly Billy' by Anthony Browne as part of our ‘Relationship' unit of work. This story looks at the many worries of Billy until his grandma gives him some worry dolls to help him. We have had a discussion about our different worries and ways we can manage our worries, by talking to other people such as mum, dad, grandparents and older siblings. We have made our own worry dolls and
learnt about the origin of the dolls which come from Guatemala. In numeracy this week we have been looking at creating number patterns with numbers and objects and describing and representing 3D shapes. Well done 2H!

2W We all had such a wonderful day on Friday celebrating Harmony Day! We loved all of the activities and enjoyed our session on ‘Bullying - No Way!’ We are really enjoying the text ‘Let’s get a pup!’. This week we have been exploring what made Dave and Rosy so appealing to Kate’s family. We have had so much fun looking at all different types of dogs and have been using our imaginations to sketch the dogs as described in the story. In maths we are learning all about 3D shapes and creating patterns, using numbers and objects. We went on a 3D shape hunt around our room where we found cubes, rectangular prisms, cylinders and cones! A reminder to bring in money next week to buy raffle tickets for our Easter egg raffle - tickets are 50c each.

3L We have been working hard on improving our skills in exposition writing this week. As a class we produced a very interesting piece of writing on ‘It is cruel to keep animals in cages’. This topic brought about many interesting discussions. I am also happy to announce that ‘Shady’, one of our sunflowers, has sprouted regardless of being in the classroom! We are all enjoying observing it’s life cycle. Thank you to all of the families who have sent in $2 for the Easter raffle, please continue to send this in. Have a wonderful week.

3T What a busy and productive week in 3T! We have worked hard in all areas and have particularly enjoyed our exposition writing. What do you think about a pool at school? Well, we strongly believe it’s a great idea. We are learning about putting together strong arguments to persuade our readers. We have continued our studies on 3D shapes, learning about parallel lines, polygon and quadrilaterals. Well done 3T on a great week.

3-4B Week 9 already!! 3-4B can hardly believe it. We have been working hard on improving our writing. We are really enjoying creating imaginative pieces of writing. We are incorporating our knowledge of the discovery of Australia into our writing. In literacy groups we have been looking at contractions and we’ve been practising visualising and making connections to the texts we read. In maths we have been looking at finding the factors of numbers when multiplying and investigating fractions! We have been very busy! Keep up the excellent effort 3-4B!

4B 4B are very excited to be starting the Daily 5 in literacy groups this week, we have been practising very hard and impressing Mrs Baxter with independent work habits and enthusiasm! In Maths we have been looking at patterns on the hundreds chart and linking them to our multiplication facts! The patterns are really cool! We have started to create our portraits for grandparents’ day, you will love them! We are using an app to create digital portraits for your pleasure!

4RE 4RE are currently learning about fractions in mathematics and building 3D objects from nets. In English we are continuing to do our reading groups and study our class novel, ‘Charlotte’s Web’ and we are also learning about idioms and how these can be used in our writing. In history we are learning about convict life and the conditions of early explorers and settlers. We are also finishing off our Captain Cook presentations, which have been
fantastic. 4RE had a fabulous day last Friday which was Harmony Day, participating in a range of activities from dancing to art to sport. Well done 4RE!

5A 5A are counting the sleeps till our camp at Point Wolstoncroft next week. In class they are continuing their study of Inland Explorers and Space. Over the next 3 weeks they are encouraged to view the moon each night and see the different phases of the moon.

5PL Our focus in maths this week is problem solving. We have been utilising addition, subtraction, multiplication and division strategies to solve a range of written problems. Congratulations to Lexy, Jada, Charlotte, Lauren, Olivia, Ryan, Damon and Yarran for making it to the ‘Rapid Rockets’ level of our times table challenge. During literacy, we have been focusing on the use of similes and metaphors in our writing. The students have written some great descriptive sentences about their personal appearance, feelings and personality traits using these literary devices. The Year 5 camp to Point Wolstoncroft is only days away. We are all very excited about our upcoming adventures. A reminder that the bus will be leaving at 9:30am so students are required to be at school at 9am to pack their belongings on the bus in time. It will be a great week away!

5-6D Another enjoyable and hardworking week in the 5/6D classroom. Last Friday we all enjoyed participating in a variety of ‘Harmony Day’ and ‘Bullying No Way’ activities. Our class has worked together with 6L to coordinate and run the school Talent Quest during lunch times again this week. We have been working hard during our weekly computer lab time to publish a piece of our writing, focusing on formatting, design and text layout to complement our stories and engage the reader. We have also been looking at writing persuasive texts based on the novel we are reading ‘Finders Keepers’. In maths we are solving algorithms and word problems involving multiplication and division. In HSIE we have read and viewed texts about explorers John Oxley and Charles Sturt. We are enjoying our weekly aerobics and yoga lessons as a part of PE. Year 5 students have been busy preparing for camp to Point Wolstoncroft which will take place next week.

6L Our novel ‘Hating Alison Ashley’ is nearing an exciting conclusion and this week we will be comparing and contrasting the play script and the novel. In the coming weeks we will also be viewing the movie, looking particularly at the characterisation. Long multiplication and division is our focus in mathematics and we are enjoying playing games such as ‘Salute’ to assist in our tables recall. This week we began our moon calendar as part of our homework and in class we will be investigating the role of the moon in determining ocean tides. Keep collecting small materials to construct moon buggies in class next week.

Library

Years 5 and 6 have begun looking at the Write Now Competition theme: ‘Farming - feeding the world’. The students gradually work on writing a paragraph each week. It prepares the children and helps them to read back over their work. Years 3 and 4 have begun looking at different styles of poetry. This week the children have been looking at Haiku and Senses poems.
Sport

**Zone Cross Country:** Good luck to all our cross country runners who will be competing next Thursday at Tocal. We will be leaving at recess to travel to Tocal.

**Zone Soccer and Netball:** We wish our girls and boys who are in the zone teams the very best of luck for next Friday's Gala Days. What a great opportunity to meet kids from other schools and represent Bolwarra!

**Zone Touch Football school trials:** On Monday and Tuesday of week 11 (7th and 8th April) we invite boys and girls to trial for the Zone Touch Football team. From the trials, we will select students to go onto the trials in Term 2. Bring your shoes and drink bottles!

Choir

The Choirs are all singing beautifully and will be performing on Grandparents’ Day. More news will be given out on this closer to the day. We are still finalising the Junior Choir who will be attending the Primary Proms.

Environment

Great weather for all the gardeners. Our Enviro gardening will be starting next term. Thanks!

Music

We have been having a great time from Kinder to Year 6 - drumming! The children are sooo clever, they only need drumsticks and a chair - sometimes a broomstick as well! It has been a lot of fun. In our music lessons, we look and listen to different beats and rhythms. We have also listened to specific pieces of music and imaging the story they tell. ‘In the Hall of the Mountain King’ is a fantastic example. The children in Years 3 and 4 have also been practising their item for Grandparents’ Day. Students in Kinder have been matching instruments to the sounds in the environments heard around our school. This week we will make a sound scape using the instruments and learning about dynamics. Stage 1 have learnt the song, ‘Until the Fire is Out’ and played instruments to match the aboriginal nature of the song. Stage 2 have continued to learn about and create our own 4 beat musical patterns using some musical notation symbols. We have also experimented with using tuned percussion and started to learn where the musical notes we play are positioned on the treble staff.

Year 5 Camp to Point Wolstoncroft

Next week our Year 5 students will participate in our annual camp to Point Wolstoncroft. We are all looking forward to this wonderful experience. Year 5 student received a final information note on Tuesday outlining departure and return times as well as a packing list and other important information. If you are a Year 5 parent and have not received this note please collect a copy from the office. Hopefully we will be able to send through some photos of students enjoying the camp for next week’s newsletter.

Talent Quest

The heats of this year's Talent Quest were completed yesterday. Attached to the back of this newsletter is the timetable for the semi-finals which will be held at lunchtime from Monday to Wednesday during Week 11. Two groups from each semi-final will perform in the final at 12 noon on Thursday 10th April. Good luck everyone and thank you for your support.
UNIFORM SHOP SURVEY

Each five years (if deemed necessary) the uniform shop will conduct a survey regarding the current school uniforms, to evaluate if they continue to be the best options for our school. Please take your time to complete the following survey. Please note this is a preliminary study and changes will not be made without proper consultation and discussion with all those affected.

Please complete the survey in its entirety with your name and mobile phone number or email address by Monday 31st March 2014 to go into the draw for a double pass to a movie of your choice at Reading Cinemas, Maitland.

We value your feedback and aim to provide the best options, price and quality possible for Bolwarra Public School’s parents and students.

Please note this survey is available online at: http://freeonlinesurveys.com/s.asp?sid=0c4igogswnuv7k2421364

CANTEEN ROSTER TERM 1

Thank you to all of our volunteers who helped out in the canteen last week. The canteen will be having a Pizza Day on Monday 7th April. A note will go home later this week with all the details.

If anyone has still not returned the green request for volunteers form could you please return it so we can plan the roster for next term. If you haven’t volunteered before we will roster you on with an experienced volunteer.

Thanks
Alison (0409 653 868)

When elegance and durability come together
Aussie Outdoor Blinds perform the best

Aussie Outdoor blinds are
individually designed and
custom built from heavy duty
marble grade material to
withstand the Australian
harsh conditions.

The perfect fit ensures a
wonderful ambiance allowing
you to sit back and enjoy
outdoor living all year round.

8 Great Reasons to use Aussie Outdoor
- Locally made and owned (prompt service)
- Custom made to give a tight fit
- Unique locking rail system. No straps, No flapping!
- Easy to use and maintain
- Helps keep out flies and mozzies as well as the elements
- Professionally trained staff for installation (no contractors)
- Withstands winds up to 50 knots
- 3 Year Manufacturers Warranty up to 50 knot winds

Protection from
- Wind
- Rain
- Glare
- Heat
- Cold
- Mozzies & Flies

Looking For Volunteer Host Families

World Education Program (WEP) is inviting you to experience another culture in your own home by becoming a volunteer host family to an international student arriving in July 2014. Our students from Argentina, Italy, Belgium, Brazil, Canada, Chile, Finland, France, the Netherlands, Norway, Switzerland, Thailand, and South America are looking forward to experiencing life in Australia, making new friends and becoming a member of an Australian family soon.

"Wonderful - joyous - heartfelt. An absolutely wonderful idea and so beneficial for all involved, from family to school friends. We truly feel Enrico is another member of our family."
Marie - host mother of Enrico (Italy)

Hosting Is Fun! Find Out more!
Getting to know your student before he or she arrives brings fun and joy to everyone involved. To help you make this important decision, contact WEP today to receive a full information pack for your family.
