Dear Parents and Care-givers

It’s Week 10 already and as we prepare for the end of term we still have a lot happening here at Bolwarra! Year 5 are currently enjoying their time spent at Pt Woollie, sailing, rock climbing, cycling, cooking, abseiling, fishing, bush walking and archery (to name a few of the activities!). It’s a jam packed 5 days and the students (and staff) will return exhausted tomorrow. Congratulations to our Girl’s cricket team who played Tenambit yesterday. They had a great win. Today is Zone Cross Country and tomorrow the Hunter Winter Trials for soccer and netball occur. We wish all our students well who participate at this elite level.

Next week is the last week of school with the finals of our Talent Quest on Monday, Tuesday and Wednesday, our Pizza Day on Monday, State Swimming is on Wednesday and a free Drumming Concert and Stage 2 Market Stall Day are on Thursday and on Friday our Grandparent and Easter Celebration, commencing at 11.00am. Parents, grandparents and friends are invited to share in our celebrations by singing, dancing, visiting classrooms and watching our choirs perform. You are then invited to share a picnic lunch with the children. The children’s and P&C Raffles will be drawn on the day, as well as a chocolate basket put together by staff. Friday is also the last day of term as we break for our two week holiday period.

School holiday kids and family camps: It’s not too late to book your child into a NSW Sport and Rec holiday camp. There are also family camps available year-round, for an active, family-friendly (and pocket-friendly) getaway. Find out more: http://bit.ly/1hWxTra

Managing screen-time: Helping kids find the right balance between activities, homework and screen time is a challenge that only gets harder as they grow older. Common-sense Media has lots of useful resources to help – from movie and game ratings to articles like this one on setting screen time limits that are realistic enough that your children will actually follow them. Read the article here: http://bit.ly/1pBIfmk

Books to boost brains: Literacy skills often progress suddenly in leaps and bounds. The secret is to keep children of all ages reading over the weekends and school holidays. Even 20 minutes a night can make a huge difference to their reading, comprehension and general knowledge. It’s also a great way to settle their minds down before sleep (for adults too!). If your child hasn’t found a book that grabs their imagination, why not try them on a series book from the Premier’s Reading Challenge list? Here are top suggestions for all ages, including young adult: http://bit.ly/1dLSGC0

Kik, Vine, Instagram – are they safe?: It’s no contest – children discover and understand new social media long before we adults do. If your child is thinking about creating a new social media account – or complains that “everyone else is doing it”, you can get the facts at a glance from School A to Z’s technology glossary. You’ll also find information about age restrictions and things to watch out for: http://bit.ly/1dLSGC0

Regards
Sue Swetnam
**IMPORTANT DATES**

- **4th April**  Zone Netball and Soccer Gala Day
- **7th April**  Pizza Day
- **7th April**  Talent Quest Finals
- **9th April**  Combined Easter Scripture
- **9th April**  State Swimming
- **10th April**  State Swimming
- **10th April**  Free Drumming Concert - everyone welcome at 9.30am in the school hall
- **10th April**  Stage 2 Market Day Stall
- **11th April**  Grandparents’ Day starting at 11am
- **11th April**  Last day of Term 1
- **28th April**  Pupil Free Day
- **29th April**  Students return for Term 2
- **30th April**  Anzac Day Ceremony
- **5th May**  Dance2bfit begins
- **8th May**  Mothers’ Day Stall
- **9th May**  Mothers’ Day Stall
- **9th May**  Hunter Cross Country

**URGENT IMPORTANT INFORMATION**

Thank you to those parents who have paid for book packs and work books. There are still outstanding payments so please see Mrs Rapson to make arrangements for a payment plan.

**WEBSITES**

**School Website**  www.bolwarra-p.schools.nsw.edu.au

**P&C Website**  www.bolwarrapandc.wordpress.com

**Online Lunch Orders**  www.flexischools.com.au

**YEAR K – 6 NEWS**

**Drumming!**
Col Hatchman will be giving a FREE drumming concert for all students and parents on Thursday 10th April at 9.30am in our school hall. Col will be teaching drumming to interested students (at a cost of $10) beginning next term. Col was the drummer for the Screaming Jets (WOW!) and teaches drumming at several schools in our area. Come along and see!

**Premier’s Reading Challenge**
Congratulations to Oliver Year 5 and Amber Year 6 who are our latest students to complete the Premier’s Reading Challenge. The holidays would be a great time to dust off the books and dig into this year’s challenge. Google Premier’s Reading Challenge for rules and booklists.

**Stewart House**
Please return Stewart House envelopes to school by Friday 11th April to be eligible for a draw in a $4,000 holiday to a destination of your choice.
**Birthday Book Club**

When it is your child’s birthday, they have the opportunity to donate a book of their choice (already purchased by the library) for the small cost of $6.00. The books will be presented to the children on assembly. Each book will have a special message inside saying who has donated the book. The birthday child will be the first to borrow the book.

The following children have recently joined the Bolwarra Birthday Book Club:

Kai and Tyree.

**Talent Quest**

The semi-finals will be held at lunch next Monday, Tuesday and Wednesday. Entry to watch is 50 cents, with all money going to the Student Council. The final will be held at 12noon on Thursday 10th April and all students will be attending free of charge.

**Stage 2 Market Day**

Stage 2 Market Day is coming! All Stage 2 classes are busy designing, making and creating products for their stalls. This is a Student Council fundraiser. Bring along some money to spend at the stalls. There will be a huge range of products for sale and activities to do. Bring along your money and help support our fundraiser!!
KE  We have had another busy week in KE as we get ourselves ready for Grandparents’ Day and the end of term. Raffle tickets are selling fast, as many of us are eyeing off those chocolate hampers! Tickets can still be bought for 50c in class. In maths we are revising skills learnt through the term to make sure we really know our ‘stuff’! Keep sending in the parent helper notes for reading and writing groups as we can’t wait to have you in the room helping us next term. Congratulations KE on nearly finishing Term 1 of Kindergarten! Only one week to go!

KT  It is hard to believe we are almost at the end of Term 1 and KT are still going strong! We are revising all our sight words learnt this term and Mrs Turner is very impressed with how many we know. Keep practising! In maths, we are continuing to work on our addition and subtraction skills. In art we have drawn and crayoned pictures of a grandparent, ready for our Grandparents’ Day next Friday. Our dance is looking great and we can’t wait to perform for you! Well done, KT.

KW  Preparations for Grandparents’ Day are well underway. The Kindergarten classes are practising their dance together and we are talking about how important grandparents are to us. We are looking at portraits in our art appreciation lessons and will create our own masterpieces of a special family member. We hope as many grandparents as possible will be able to come and look at our room and join in the celebrations next Friday.

1B  We have begun our Daily Five Training this week in preparation for Term 2. The children are enjoying the quick rotations and the activities. I have told the children that I will be purchasing some exciting new things to put in our writing box to be used at the writing station during the Daily Five and together we have come up with some good ideas of what to put in the box! We have been learning all about 2D and 3D shapes this week in maths, ask your children to look around the house and see what 3D shapes they can identify! We have started selling raffle tickets this week and it is going very well. Don’t forget each class has three prizes in the raffle and tickets are being sold every day this week. This is the last week for homework and I thank you all very much for your support. I am so impressed at the dedication to homework that the students in 1B have displayed.

1H  Year One have been busy again this week working on our story writing. 1H have been looking at what makes stories more interesting and how to include WOW words in our story writing. We are also eagerly preparing a special creative surprise for our grandparents to collect on Grandparents’ Day. In maths 1H have been revising our 2D and 3D shapes and we would love it if you were to ask us to find some 3D shapes in our environment at home.

1M  1M students are concluding the term with a study of literary texts focusing on grandparents. We are realising that everyone’s family situation is different and we are enjoying sharing personal stories about family life. As Easter approaches, we are all getting excited about the prospect of a visit from the Easter Bunny. Next week we will be doing some maths work and creative activities that centre on Easter.

2C  We are looking forward to our Stage 1 performance at Grandparents' Day next Friday and welcoming some of our grandparents into our classroom for a short visit. This is the last week of homework for the term. I would like to thank students (and parents/caregivers!) for ensuring their tasks have been completed and the way in which they have managed their time to complete homework tasks. High levels of responsibility - well done 2C! I would also
like to thank parent helpers who have been able to volunteer their time to assist with literacy groups this term - your assistance is greatly appreciated and I know the students really appreciate your help as well. Students are also looking forward to our class Easter raffle - 50c a ticket - sold in class each morning by William and Kimberley. We have been exploring adjectives this week and came up with lots to describe our grandparents. In maths we have been sharing objects into groups, sometimes with some left over! We have had fun sharing 16 oranges between 4, 2 and 3 people. I am particularly pleased with the way in which students are delivering their news item - speaking clearly, with confidence and appropriate body posture. Keep up the fabulous work 2C!

2H 2H have had another fantastic week! In numeracy this week we will be revising all the topics we have looked at during the term to reinforce all the concepts. You can see some of our hard work we have been doing during numeracy this term from the photographs in this newsletter. We will be looking at the book ‘No David’ as part of our relationship unit and introducing the concept of inferencing for students to gain greater meaning of a text. Reading groups will finish this week. Thank you so much to the parents and helpers for all your support! This will also be the last week for homework and home readers. Keep up the brilliant work 2H!

2W Just over a week to go until holidays! We have had such a wonderful term and have reached so many learning goals already in 2W! This week we have started exploring our new text 'Rose meets Mr Wintergarten' for our literacy unit. Our raffle ticket sales have gone through the roof this week! Keep the silver coins coming in!! Our student councillors are doing a great job at selling tickets. We are looking forward to next week and have been busy preparing for Grandparents’ Day and Easter!

3L We are having a wonderful week in 3L planning stalls for our market day. So far your children have come up with some very creative and inventive ways to raise money for Bolwarra’s SRC. Later in the week we will begin creating and collating our items for the market. This week we have been working on our skills for NAPLAN next term, all students have been working really hard in all areas and I am especially happy with the development in their persuasive writing. 3L has been working very hard and I look forward to a lovely week next week with your children.

3T 3T have worked so hard this week. Well done on being so settled and achieving great work. We have learnt about fractions and had fun creating our booklet of helpful fraction reminders! We are having fun learning our grandparents’ dance for next week. Remember that homework is due this Friday. No reading groups next week.

3-4B Week 9 already! 3-4B have been working extremely hard this week. We have enjoyed creating and describing a character called Ron! We have been working to include metaphors and similes in our writing and we are looking forward to learning and including other figurative language devices in our writing. In maths we have been reviewing number concepts and continuing to develop our knowledge of multiplication. We are very excited about Grandparents’ Day and the Easter raffles!!! We are even more excited about the Stage 2 Market Day coming up on Thursday 10th April!!
4B have been working extra hard this week, learning a lot of new and exciting things. Stage 2 classes are all working on our Market Stall ideas that will see Years 3 and 4 running stalls next Thursday. Please remember to bring in your loose change to spend up big, as we have fabulous products and services for the students at Bolwarra Public School! We are submitting our business plans to Mrs Baxter on Thursday in a presentation. She will let mums and dads know what is going on in a note that will go home on Friday. In maths we have been learning about money and most importantly how to total up purchases and give change, as these are the skills we will need for market day! In history we have been learning about life in Australia as a convict. The food wasn't too appetising and the punishments were awful - beware the cat o' nine tails!! This whip could inflict dreadful damage! We have enjoyed researching the Hyde Park Barracks and the life that the convicts had there. Don't forget to keep on bringing that Easter raffle money in - everyone is very excited, we all want to win the chocolate goodies! YUM!! Final preparations are underway for Grandparents’ Day......here's a sneak peek at some of our digital portraits.

4RE have been busy creating magnificent art works based on the ships of The First Fleet. In mathematics we are continuing to learn about fractions, including finding fractions of a group and equivalent fractions. In literacy, we are writing descriptions and learning how to incorporate figurative language such as similes, metaphors and personification into them. We are also busy preparing for our Stage 2 Market Stall next week and learning how to successfully create a profitable and unique business. Keep up the good work 4RE!

YEAR 5 are having a wonderful time at camp. So far, we have had kayaking, sailing, archery and rock climbing. The wombat hole was dark and muddy. Lots of washing for parents on Friday! The weather has been perfect.
5-6D 5-6D have had the pleasure this week of working with Mr Leleu and Mrs Potts while Ms Dimmock is away at camp. Class routines have continued on as normal with reading groups, spelling, maths and homework. We have continued learning about Australian explorers in HSIE and we will begin a school based research project about space exploration and famous space missions as a part of our science work. We are working hard with 6L to create and learn a dance for Grandparents’ Day. Our Year 5 students who are at camp at Point Wolstoncroft this week are having a wonderful time participating in activities such as sailing, rock climbing, archery and kayaking. Only one more week of school for this term! Time flies when you are having fun!

6L This week we will be discussing and writing about whether space exploration is necessary. When writing our written arguments, we will be working on writing scientific, well developed opinions. Well done to the students who organised materials to construct moon buggies. During their construction we will be considering design elements and features that would enable them to function on the moon. We have created wonderful grandparent portraits and we are looking forward to our grandparents visiting next week. In PE we are learning a special dance to perform next week with our grandparents - so put on those dancing shoes! In maths we are investigating 3D shapes and drawing and recognising properties of prisms and pyramids.

Sport

Good luck to all our Cross Country runners who are off to Tocal today for the Zone races. Good luck to our representatives who are in the Zone soccer and netball teams who are at Gala days tomorrow.

Cricket: Yesterday the senior girls cricket team competed in the second round of the State Knockout Competition. The girls took on Tenambit Public School and were successful in winning the game. Bolwarra scored 1/125 with Jorja top scoring on 13 runs, while Tenambit were all out for 69 with Ruby, Ivy and Josie all getting two wickets a piece. Well done girls and good luck in the third round.

Music

Mrs Price’s Stage 2 students are concentrating on finding the strong beat then counting the number of beats in a song, making up our own beat patterns using body percussion and trying some more difficult partner clapping patterns to songs. We have also been practising our item for Grandparents’ Day. Stage 1 are continuing to maintain a steady beat using instruments and making up graphic scores to play and learning a new song. Mrs Price was away last week so kinder enjoyed a different music program. This week we will continue to look at matching environmental sounds to different percussion instruments.
Library
Stage 2 children in classes 3T, 3L, 3-4B, 4B and 4RE have been writing a description. They have looked at a picture and described what it looked like as well as adding some of their own details - who, why and what. Year 6 has continued writing their description for the Write Now competition - titled: ‘Farming - feeding the world’. There have been some very interesting points of view from the Year 5 and 6 students:

Myra (Year 5): Fields upon fields of grassy paddocks. They're all filled right up to their fence posts with produce. But, even with all these greens, is it enough to feed the world?

Eddie N (Year 6): Farming. People think of farming as just growing crops, but to some people, it's life. So, if living is important, then so is farming. Feeding us will make us live, so, food from farming is more important than you think.

Edward S (Year 6): The farmer, he gets up at 6. He starts by ploughing a ten acre strip before rounding up cattle and feeding the animals. He looks out over the horizon. the dry, cracked ground as dry as a dry desert. He listens, the far distant cry of a young calf and the putt, putt, putt of a tractor across the brown fields.

Ruby (Year 6): Squelch! Fresh mud covered my new black boots. Living on a farm isn't the most glamorous life, in fact, it's dirty, sticky, messy and hard. But, it's what we have to do to feed the world.

Choir
The Choirs are singing beautifully! The first opportunity for the children to sing will be on Grandparents’ Day. The next date will be on Wednesday evening, 21st May at the St Peter's Music Festival. Keep the date free! The Boys Choir have been having some great discussions about what they will be singing. It is great to have their input. There are some very talented musicians too. A big thanks to Hamish for bringing in his ukulele - which inspired us and the talented Zeke and Riley to find a song to perform with these instruments. Stay tuned!

Thank you to all of our volunteers who helped out in the canteen last week. A special thank you to the volunteers who have answered my calls for help at the last minute! The roster for next term is included in the newsletter today. Thank you to everyone who returned their green forms indicating their willingness to volunteer. If there are any issues with this roster please contact me directly so I can make any necessary changes.

Thanks, Alison (0409 653 868)
