Dear Parents and Care-givers,

Welcome to Week 6: Autumn is proving to be the predictable season we have come to expect with freezing cold mornings and nights, with beautiful weather during the day.

Cathryn Welsh: You may have heard that Cathryn (Year 5) teacher is currently on leave to care for her very sick husband and try to provide her young children with a sense of normalcy. Cathryn and Alex’s friends have started a GoFundMe appeal titled “Let’s Fight for Alex’ and their target is $90,000 to fund specialist’s treatment for Alex’s cancer. If you can help please read the second page of the newsletter to hear Cathryn’s story.

Staff changes: Jessie Wright, our wonderful Kindergarten staff member, has been offered an Instructional Leader position at Woodberry PS. Jessie is an aspiring teacher and sees this as the next step in her career. We wish Jessie all the best when she takes up her new position in Term 3. We are currently seeking a replacement for KJ to ensure a smooth transition occurs.

Walkers: Just a gentle reminder to ‘walkers’ and their families that some dangerous practices have started to re-emerge. Children are leaving the school with their parents and walking through the Teacher’s car park at the close of the school day. This is an accident waiting to happen as many cars enter and leave the school around 3.15-3.30pm (After School Care, deliveries etc.). Also some children are not joining the ‘walkers line’ that goes to the Basketball Court to wait for parent pick-up from the bottom car-park, but are instead taking themselves down to this car-park and waiting for parents without adult supervision. This is also very dangerous as numerous cars come and go in a 15 minute period, not to mention the possibility of a ‘stranger’ waiting there for an opportunity. Please be mindful of our children’s safety.

Thought for the week: “The walks and talks we have with our two-year-olds in red boots have a great deal to do with the values they will cherish as adults.” E. Hunter
“Imagine being 31 years old and being diagnosed with testicular cancer? Your eldest son is 3 and your beautiful daughter has not yet celebrated her 1st birthday. You are strong and you are a fighter, so you endure surgery and grueling rounds of chemotherapy. Three months on imagine hearing the joyous news that you are ‘all clear’. Imagine the feeling of relief and happiness, of hugging your beloved family and knowing you have a lifetime left with them. Fast forward a few short weeks and now imagine being told the cancer has returned. It is aggressive. It has spread. It has mutated. It is un-treatable. This is the story of Alex Lambert, 32 years old, dad, husband, son, brother, uncle, mate, work colleague and a local lad. Growing up on a dairy farm in Lower Belford life was all about the outdoors. As a carefree kid, Alex was fearless and loved his sport – riding motorbikes, fishing, representing NSW in School Boys Rugby, playing soccer for the Greta Branxton Wildcats, cricket for Branxton and playing both rugby union and rugby league for Singleton. He’s also a bull rider, cause everything else was a little too tame. Alex lives local and works local too. In his early twenties he was part of the team at Russell’s Earthmoving at Branxton. For the past eight years he was a valued employee at Austar Coal. In true country spirit he continued to work throughout his rigorous and painful chemotherapy treatment in order to provide for his family. His beautiful and supportive wife Cathryn attended Mount View High School, she is now a teacher at Bolwarra Primary school, having previously taught at Cessnock East Public School. Alex and Cathryn have been married five short years and hold big dreams, for themselves, their kids and their future. Alex wants to take his son camping and teach him how to fish, he wishes to kick a soccer ball with his daughter. He wants to teach them how to ride motorbikes, he wants to give them hugs and play and listen to their stories. Such simple dreams shattered so cruelly. Alex is now fighting for his life and a future with his family. However, you can help Alex and his family re-write the ending to his story as there is hope and there is a treatment option, but it’s expensive. We need to raise $90,000. Alex is determined, he is a fighter and he is motivated by the love of his family and the support of his friends. He needs his community to help him too. We will be raising funds through special events and auctions. However time is of the essence. Please donate thru Alex’s Go Fund Me page and help change his story now. GoFundme: http://www.gofundme.com/fightdfight4alex And to learn more about Alex’s story and share his journey please visit his Facebook Page. Thank you all for your kind wishes and support, they are helping Alex to keep his strength.” - from Cathryn Lambert (Welsh)

Have a safe week.

Regards
Sue Swetnam

Team of Champions!! Great day for the senior boys soccer team winning all four games with 29 goals for them and none against.... Through to State Knockouts! They were standouts at the gala day last Monday and played like a team!

**Horsesports**
Last Friday, two students Chloe and Emily represented Bolwarra public at Singleton Horsesports. There was a massive turn out of over 200 riders from 46 schools throughout the region. The girls performed beautifully, even in the very wet weather conditions.
Emily did a fantastic job riding her pony ‘Sunny’ in the 9yrs age group which was one of the biggest, with over 20 riders. Emily is improving with every outing and gaining a lot of confidence from the experience.
Chloe riding Cassie did an amazing job, also having a large age group. Chloe placed highly in all her events. Eventually winning the overall ‘Girls 10 years champion!!’ Well done girls... They are looking forward to represent Bolwarra in July, at the Hunter Valley Grammer Interschools Horsesports, which includes Dressage and Show-jumping.

**NAIDOC Week**
As a way of contributing much needed funds to support Aboriginal Initiatives for Koori Kids, Bolwarra School always advertises a NAIDOC pack where you can purchase a variety of items to celebrate NAIDOC Week.
Koori Kids was founded to bring a progressive co-ordinated approach to the cultural development of our kids in particular in the areas of public awareness, reconciliation and cultural diversity and friendship. It is our vision that each and every kid, both black and white, should be given equal support to attain their goals, not only in sport but in their everyday life.
The Kids Fund vision reflects the need in our communities to grab hold of kids and to steer them away from the ever increasing drug and alcohol problems that are epidemic in communities everywhere. We aim to bring role-models with the support of the NRL, AFL, Netball Australia, Soccer Australia, the Australian Music and Film – Television industries to their communities to host sporting clinics, family days, concerts, discos and entertainment drama clinics. By doing this we are showing our kids that there is a better way of life than hanging out on the streets and becoming a judicial statistic.
A key priority for Koori Kids is to formulate the Prime Minister’s Inaugural NAIDOC Student of the year awards and to continue its NAIDOC Week School Initiative Competitions that are still going strong.
Support provided to Koori Kids has enabled us to provide support to assist youngsters with their endeavours including assistance with travel for students participating in sports interstate.
Previous donations to the Premier’s Disaster Relief Fund including our annual Operation Christmas last year, we were able to distribute over 380 presents to kids hospitalised in Sydney Children’s Hospitals.
